C. CONFIDENTIALITY OF PROPOSALS

California Government Code Sections 6250 *et seq.* (the "California Public Records Act" or the "Act") defines a public record as any writing containing information relating to the conduct of the public business. The Act provides that public records shall be disclosed upon written request and that any citizen has a right to inspect any public record unless the document is exempted from disclosure. The Department, which is part of the County of San Mateo, is subject to the California Public Records Act.

Be advised that any contract that eventually arises from this RFP is a public record in its entirety. Also, all information submitted in response to this RFP is itself a public record **without exception**. Submission of any materials in response to this RFP constitutes a waiver by the submitting party of any claim that the information is protected from disclosure. By submitting materials, (1) you are consenting to release of such materials by the County if requested under the Public Records Act without further notice to you and (2) you agree to indemnify and hold harmless the County for release of such information.

If the County/Department receives a request for any portion of a document submitted in response to this RFP, the County will not assert any privileges that may exist on behalf of the person or entity submitting the proposal, and the County reserves the right to disclose the requested materials without notice to the party who originally submitted the requested material. To the extent consistent with the Public Records Act and applicable case law interpreting those provisions, the County/Department and/or its officers, agents, and employees retain discretion to release or withhold any information submitted in response to this RFP.

Submission of a proposal constitutes a complete waiver of any claims whatsoever against the County and/or its officers, agents, or employees that the County has violated a proposer's right to privacy, disclosed trade secrets, or caused any damage by allowing the proposal to be inspected.

D. PROPOSAL EVALUATION

All proposals received will be evaluated by an RFP Evaluation Committee. During the evaluation process, the County may require a proposer's representative to answer specific questions orally and/or in writing. The County may also require a visit to the proposer's offices, other field visits or observations by County representatives, or demonstrations as part of the overall RFP evaluation. Once a finalist or group of finalists is selected, additional interactions or information may be required. The most qualified individual or firm will be recommended to the Department and/or County management by the RFP Evaluation Committee based on the overall strength of each proposal, and the evaluation is not restricted to considerations of any single factor such as cost. Execution of an agreement has been tentatively scheduled for January 2014.

Responses to this RFP must adhere to the format for proposals detailed in **Section V - PROPOSAL SUBMISSION REQUIREMENTS**. The criteria used as a guideline in the evaluation will include, but not be limited to, the following:

1. Firm qualifications and experience, including capability and experience of key personnel and experience with other public or private agencies to provide these services
2. Proposed approach, including clarity of understanding of the scope of services to be provided and appropriateness of the proposed solution/services

3. Customer service
4. History of successfully managing other contracts with public or private agencies
5. Ability to meet any required timelines or other requirements
6. Claims and violations against you or your organization
7. Cost to the County for the primary services described by this RFP
8. Cooperative purchasing options (if any) and cost of possible additional services
9. References
10. Compliance with County RFP & contractual requirements

The County may consider any other criteria it deems relevant, and the Evaluation Committee is free to make any recommendations it deems to be in the best interest of the Department and/or the County. Inaccuracy of any information supplied within a proposal or other errors constitute grounds for rejection of the proposal. However, the County may, in its sole discretion, correct errors or contact a proposer for clarification.

Note that the County reserves the right to evaluate proposals solely based on each vendor's written submission. In relation to written materials, evaluation will be performed only on the material included directly in the proposal itself unless otherwise indicated or requested by the County. The evaluation team will not access company web sites or read sales brochures, marketing materials, or white papers in evaluating vendor experience or proposed methodology unless doing so is in the County's best interest. You may submit additional materials or reference on-line information in your proposal if you wish, but these will not necessarily be considered during the proposal evaluation process.

The County reserves the right to accept other than the proposals with the lowest costs and to negotiate with proposers on a fair and equal basis when the best interests of the County are served by doing so.

E. PROPOSAL RECOMMENDATION

The Evaluation Committee will recommend a provider or providers to Department management or may recommend that the proposals be rejected. Department management will then make its own decision as to whether to accept or reject the Evaluations Committee's recommendations. Ultimate acceptance or rejection of the recommended proposal and execution of a contractual agreement is the independent prerogative of the Department and/or the County, notwithstanding any recommendations made by the Evaluation Committee. The County reserves the right to negotiate with any provider in working to finalize an agreement in relation to the proposer's response.

F. NOTICE TO PROPOSERS

The Department is not required to give notice to proposers in any specific format or on any particular timeline. At some point prior to execution of a final agreement for the requested services, the Department will notify those who submitted proposals of their non-selection. Proposers may be notified a different times depending on the needs of the Department.

G. PROTEST PROCESS

If a proposer desires to protest the selection decision, the proposer must submit by facsimile or email a written protest within five (5) business days after the delivery of the notice about the decision. The written protest should be submitted to the Captain of the Homeland Security and Emergency Services Bureau as outlined below. Protests received after the deadline will not be accepted. Protests must be in writing, must include the name and address of the Proposer and the Request for Proposals numbers, and must state all the specific ground(s) for the protest. A protest that merely addresses a single aspect of the selected proposal (for example, comparing the cost of the selected proposal in relation to the non-selected proposal) is not sufficient to support a protest. A successful protest will include sufficient evidence and analysis to support a conclusion that the selected proposal, taken as a whole, is an inferior proposal.

The Captain will respond to a protest within ten (10) business days of receiving it, and the Department may, at its election, set up a meeting with the proposer to discuss the concerns raised by the protest. The decision of the Captain will be final. The protest letter must be sent by facsimile and email to:

Mark Wyss, Captain
Homeland Security Division
mwyss@smcgov.org
Facsimile: 650- 363-1868

3. **Proposal Costs.** Costs for developing proposals are entirely the responsibility of the proposer and shall not be charged to the Department or otherwise reimbursed by the County.
4. **Proposal Becomes County Property.** The RFP and all materials submitted in response to this RFP will become the property of the County.

5. **Questions and Response Process.** Submit all questions relating to this RFP by one of three methods:

Mailed to: Jeff Kearnan, OES Director
San Mateo County Sheriff's Office
400 County Center, 3rd Floor
Redwood City, California 94063.

E-mailed to: jkearnan@smcgov.org

Faxed to: 650/363-1868 Attn: Jeff Kearnan

All questions must be received no later than 4:00 p.m. on Friday, December 6, 2013

All questions and answers will be posted on the Department website at www.smcsheriff.com/ (Under RFPs)

If changes to the RFP are warranted, they will be made in writing, clearly marked as addenda to the RFP, and posted to the website. It is the responsibility of each proposer to check the website listed above for changes and/or clarifications to the RFP prior to submitting a response, and a proposer's failure to do so will not provide a ground for protest.

6. **Alteration of Terms and Clarifications.** No alteration or variation of the terms of this RFP are valid unless made or confirmed in writing by the County. Likewise, oral understandings or agreements not incorporated into the final contract are not binding on the County.

If a proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the proposer must immediately notify the County of such error in writing and request modification or clarification of the document. If a proposer fails to notify the Department of an error in the RFP prior to the date fixed for submission, the proposer shall submit a response at his/her own risk, and if the proposer enters into a contract, the proposer shall not be entitled to additional compensation or time by reason of the error or its later correction.

Modifications or clarifications to the RFP will be posted to the Department website as outlined in Section III.5, above, without divulging the source of the request for same. The Department may, at its discretion, also give electronic notice by email to all parties who have notified the Department of their electronic contact information in response to this RFP, but no party that fails to receive email notice has any basis for protest given that all clarifications will be available online. It is the obligation of all proposing parties to check the Department website for updates regarding the RFP if they wish to be kept advised of clarifications prior to submitting a proposal.

7. **Selection of Vendor(s).** The selection of a vendor will be memorialized in the form of a “County Agreement with Independent Contractor” (see the sample template at Section VI, Enclosures 2-4, below), authorized by a resolution of the County Board of Supervisors and signed by both parties.

The County reserves the right to reject any or all proposals without penalty. The County’s waiver of an immaterial deviation in the proposal shall in no way modify the RFP documents or excuse the proposer from full compliance with the specifications if the proposer enters into a contract.

Once a vendor is selected, the Agreement with that vendor must still be negotiated and submitted to the San Mateo County Board of Supervisors for approval, and there is no contractual agreement between the selected vendor unless and until the Board of Supervisors accepts and signs the Agreement. Selection of a proposal for negotiation of contract terms and eventual submission to County leadership by way of an Agreement does not constitute an offer, and proposers acknowledge by submission of a proposal that no agreement is final unless and until approved by the Board of Supervisors.

8. **Equal Benefits.** With respect to the provision on employee benefits, Contractor/vendor must comply with the County Ordinance prohibiting discrimination in the provision of employee benefits between a full-time employee with a registered domestic partner and one with a spouse. See Section VI, Enclosure 3.
9. **Jury Duty.** The contractor must comply with the County Ordinance requiring that the contractor have and adhere to a written policy the provides its full-time employees who live in San Mateo County with no fewer than five days of regular pay for actual jury service in San Mateo County. This policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct the from the employee’s regular pay the fees received for jury service. See Section VI, Enclosure 3. If the proposer has no employees that qualify for jury duty in San Mateo County, the proposer may satisfy this requirement by providing the County with written confirmation of the fact that (1) it has no such employees and (2) its policy is to comply with the jury duty pay ordinance with respect to any future qualifying employees.
10. **Insurance.** The County has certain insurance requirements that must be met. In most situations those requirements include the following: the contractor must carry \$1,000,000 or more in comprehensive general liability insurance; the contractor must carry motor vehicle liability insurance, and if travel by car is a part of the services being requested, the amount of such coverage must be at least \$1,000,000; if the contractor has two or more employees, the contractor must carry the statutory limit for workers’ compensation insurance; if the contractor or its employees maintains a license to perform professional services (e.g., architectural, legal, medical, psychological, etc.), the contractor must carry professional liability insurance; and generally the contractor must name the

County and its officers, agents, employees, and servants as additional insured on any such policies (except workers compensation). Depending on the nature of the work being performed, additional requirements may need to be met.

11. **Incomplete Proposals May be Rejected.** If a proposer fails to satisfy any of the requirements identified in this RFP, the proposer may be considered non-responsive and the proposal may be rejected.
12. **Contact With County/Department Employees.** As of the issuance date of this RFP and continuing until the final date for submission of proposals, all proposers are specifically directed not to hold meetings, conferences, or technical discussions with any County employee for purposes of responding to this RFP except as otherwise permitted by this RFP. Any proposer found to be acting in any way contrary to this directive may be disqualified from entering into any contract that may result from this RFP.

Proposers should submit questions or concerns about the process as outlined in Section III.5, above. The proposer should not otherwise ask any County/Department employees questions about the RFP or related issues, either orally or by written communication, unless invited to do so.

13. **Group Purchasing Organization Participation.** Proposers should keep in mind that the County is a participant in more than one Group Purchasing Organization (GPO), and this RFP is open to those who provide services under a GPO. Proposers should ensure their proposals are as competitive as possible while also providing the highest quality services in order to be considered a viable vendor for the listed services. The County reserves the right to use a GPO vendor if doing so is in the County's best interest, as determined solely by the Department, even if that vendor does not submit a proposal in response to this RFP.
14. **Miscellaneous.** This RFP is not a commitment or contract of any kind. The County reserves the right to pursue any and/or all ideas generated by this RFP. The County reserves the right to reject any and all proposals and/or terminate the RFP process if deemed in the best interest of the County. Further, while every effort has been made to ensure the information presented in this RFP is accurate and thorough, the County assumes no liability for any unintentional errors or omissions in this document. The County reserves the right to waive or modify any requirements of this RFP when it determines that doing so is in the best interest of the County.

This Agreement may be terminated by Contractor, the Sheriff, or Sheriff's designee at any time without a requirement of good cause upon thirty (30) days' written notice to the other party.

In the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and materials (hereafter referred to as materials) prepared by Contractor under this Agreement shall become the property of County and shall be promptly delivered to County. Upon termination, Contractor may make and retain a copy of such materials. Subject to availability of funding, Contractor shall be entitled to receive payment for work/services provided prior to termination of the Agreement. Such payment shall be that portion of the full payment which is determined by comparing the work/services completed to the work/services required by the Agreement.

5. AVAILABILITY OF FUNDS

County may terminate this Agreement or a portion of the services referenced in the Attachments and Exhibits based upon unavailability of Federal, State, or County funds by providing written notice to Contractor as soon as is reasonably possible after County learns of said unavailability of outside funding.

6. RELATIONSHIP OF PARTIES

Contractor agrees and understands that the work/services performed under this Agreement are performed as an independent Contractor and not as an employee of County and that neither Contractor nor its employees acquire any of the rights, privileges, powers, or advantages of County employees.

7. HOLD HARMLESS

7.1. General Hold Harmless. Contractor shall indemnify and save harmless County and its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind, and description resulting from this Agreement, the performance of any work or services required of Contractor under this Agreement, or payments made pursuant to this Agreement brought for, or on account of, any of the following: (A) injuries to or death of any person, including Contractor or its employees/officers/agents; (B) damage to any property of any kind whatsoever and to whomsoever belonging; (C) any sanctions, penalties, or claims of damages resulting from Contractor's failure to comply, if applicable, with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended; or (D) any other loss or cost, including but not limited to that caused by the concurrent active or passive negligence of County and/or its officers, agents, employees, or servants. However, Contractor's duty to indemnify and save harmless under this Section shall not apply to injuries or damage for which County has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

7.2 Intellectual Property Indemnification.

Contractor hereby certifies that it owns, controls, or licenses and retains all right, title, and interest in and to any intellectual property it uses in relation to this Agreement, including the design, look, feel, features, source code, content, and other technology relating to any part of the services it provides under this Agreement and including all related patents, inventions, trademarks, and copyrights, all applications therefor, and all trade names, service marks, know how, and trade secrets ("IP Rights") except as otherwise noted by this Agreement. Contractor warrants that the services it provides under this Agreement do not infringe, violate, trespass, or constitute the unauthorized use or misappropriation of any IP Rights of any third party. Contractor shall defend, indemnify, and hold harmless County from and against all liabilities, costs, damages, losses, and expenses (including reasonable attorney fees) arising out of or related to any claim by a third party that the services provided under this Agreement infringe or violate any third-party's IP Rights provided any such right is enforceable in the United States. Contractor's duty to defend, indemnify, and hold harmless under this Section applies only provided that: (a) County notifies Contractor promptly in writing of any notice of any such third-party claim; (b) County cooperates with Contractor, at Contractor's expense, in all reasonable respects in connection with the investigation and defense of any such third-party claim; (c) Contractor retains sole control of the defense of any action on any such claim and all negotiations for its settlement or compromise (provided Contractor shall not have the right to settle any criminal action, suit, or proceeding without County's prior written consent, not to be unreasonably withheld, and provided further that any settlement permitted under this Section shall not impose any financial or other obligation on County, impair any right of County, or contain any stipulation, admission, or acknowledgement of wrongdoing on the part of County without County's prior written consent, not to be unreasonably withheld); and (d) should services under this Agreement become, or in Contractor's opinion be likely to become, the subject of such a claim, or in the event such a third party claim or threatened claim causes County's reasonable use of the services under this Agreement to be seriously endangered or disrupted, Contractor shall, at Contractor's option and expense, either: (i) procure for County the right to continue using the services without infringement or (ii) replace or modify the services so that they become non infringing but remain functionally equivalent.

Notwithstanding anything in this Section to the contrary, Contractor will have no obligation or liability to County under this Section to the extent any otherwise covered claim is based upon: (a) any aspects of the services under this Agreement which have been modified by or for County (other than modification performed by, or at the direction of, Contractor) in such a way as to cause the alleged infringement at issue; (b) any aspects of the services under this Agreement which have been used by County in a manner prohibited by this Agreement.

The duty of Contractor to indemnify and save harmless as set forth by this Section shall include the duty to defend as set forth in Section 2778 of the California Civil Code.

8. ASSIGNABILITY AND SUBCONTRACTING

Contractor shall not assign this Agreement or any portion thereof to a third party or subcontract with a third party to provide services required by Contractor under this

Contractor shall furnish County with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending Contractor's coverage to include the contractual liability assumed by Contractor pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to County of any pending change in the limits of liability or of any cancellation or modification of the policy.

9.1 Workers' Compensation and Employer's Liability Insurance. Contractor shall have in effect during the entire term of this Agreement workers' compensation and employer's liability insurance providing full statutory coverage. In signing this Agreement, Contractor certifies, as required by Section 1861 of the California Labor Code, (a) that it is aware of the provisions of Section 3700 of the California Labor Code, which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of the Labor Code, and (b) that it will comply with such provisions before commencing the performance of work under this Agreement.

9.2 Liability Insurance. Contractor shall take out and maintain during the term of this Agreement such bodily injury liability and property damage liability insurance as shall protect Contractor and all of its employees/officers/agents while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from Contractor's operations under this Agreement, whether such operations be by Contractor, any subcontractor, anyone directly or indirectly employed by either of them, or by an agent of either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall not be less than the amount specified below.

Such insurance shall include:

- (a) Comprehensive General Liability \$1,000,000
- (b) Motor Vehicle Liability Insurance \$1,000,000
- (c) Professional Liability \$1,000,000

In the event of the breach of any provision of this Section, or in the event any notice is received which indicates any required insurance coverage will be diminished or

canceled, County, at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work and payment pursuant to this Agreement.

In the event of a conflict between the terms of this Agreement and any applicable State, Federal, County, or municipal law or regulation, the requirements of the applicable law or regulation will take precedence over the requirements set forth in this Agreement.
